Unfortunately, we have had to cancel our Season Launch due to Corona Virus as we would have more than 500 people present. Jersey collection will be staggered over that week. Secretary to send out times. Please watch Facebook.

Training will be monitored. Watch Facebook. Teams to nominate what days they would like and times. Not all teams will get what they have asked for. A roster will be out soon.

Injuries: You only have 1 Month to lodge your insurance forms to the Junior League after an injury has occurred. After this date the insurance company will not pay the claim.

Our First Trials at Home, last Saturday and Sunday all ran smoothly. Thank you to all that helped out. No teams will be doing a full day in the Canteen. We are going to stick with the roster system we had on the weekend. 2 Helpers for Canteen and 2 Helpers for the BBQ & 2 Helpers for Ground Managers. Will also need help to do set up and pack up. Managers of each team can sort the helpers.

The Season Start may be pushed back 2 weeks. Junior League will update us and then we will let everyone know. Jnr League talking to NSWRL.

Tania Davies read about the Samoa Trip the U13 Div 1 Team went on last year and the donation of boots and clothing they made in the Western Weekend. She mentioned the Club in Parliament a few weeks ago and we were given a Community Recognition Statement (attached).

Facebook Comments: FB is not the place to vent anger or air grievances. If you have a problem, please call myself or one of the Danielle's. The Club and the Junior League have a strict Social Media Policy. All reports go to NSW Rugby League to be dealt with not us or Penrith Juniors.

Referees and Trainers: There is going to be a big Crack down with Refs and Touchies. Do not interact with them. Do not touch them. You can get up to 10 years ban. Can get a ban of 2-3 years for swearing at them also. Less and less are coming back because of the abuse.

Sponsorship Report:

Majority of Jerseys ordered. If your team not sponsored, we can still put the logo onto your jersey.

Events Co-Ordinator: We have cancelled the Disco and Season Launch. Will keep you updated if the Trivia/Karaoke night goes ahead.

General Business: Allen Bush will run an in-house Manager's course/run down for New and existing Managers on how to fill out the score sheets and fill them in on what we expect from Managers. Stephanie Kijurina and Amanda De La Garde to help.

Regarding Sponsorship, we will have discussions on how we can split up sponsorship of a team. Would need Saturday and Sunday Treasurers to get more involved in the process.

Getting Sponsorship for the Club or a team is not just the Executive and the Sponsorships Co-Ordinators job. Everyone can help. Ask the Parents in your teams to ask their boss, ask you kids to ask their boss's. The more people ask the more potential sponsor the Club could have.

On the weekend there was no managers at the table for any of the games and no blue shirts. Yes it's a trial but needs to be one there. On game days no manger/blue/green shirt – **THE GAME WILL NOT BE PLAYED.**

If there is anything missing from the table/bucket/esky – Please ring someone and it can be brought down.

As a Coach you can only do so much. You can only ask Parents to help. Need to get your Managers to get more involved. They can organize for parents to help with set up/canteen/bbq etc.

If your going away or can't be at a game, Please find a fill in Coach/Trainer/Manager ASAP. Do not leave it till the last minute. Call the Co-Ordinator's as they can help. Also if you don't mind hanging around any weekend just let the Co-Ordinator's know you will be available if another team needs a fill in Coach/Trainer/Manager.

We should have the home/away system as last year.

Can we get the field next to McDonalds marked out to help with training.

Reminder: All Coaches/Managers/Trainers to Wear CLOSED IN SHOES – NO THONGS.

Next Meeting: Wednesday 8th April at 7.00pm – Grey Gums Hotel

Meeting Closed: 7.55pm

**GLENMORE PARK BRUMBIES
COMMUNITY RECOGNITION STATEMENT**

04TH FEBRUARY 2020

TANYA DAVIES MP

Mrs TANYA DAVIES (Mulgoa)—I would like to acknowledge the Glenmore Park Brumbies Junior Rugby League team and their recent trip to the island nation of Samoa for a cultural tour. The Glenmore Park Under 13's Division 1 team travelled to Samoa late last year for nine days exploring the beautiful South Pacific island, mingling with village communities and playing rugby league. The club were able to participate in many activities such as playing two games of rugby league against Samoan schools, visiting a church, helping out local villages and immersing themselves in the local sights.

These activities helped the boys understand how little the Samoan community live with, down to the children playing Rugby League without shoes. Thankfully the team had come prepared as prior to the trip, the group had done a large boot and clothing collection that they then gifted to the local children. The Brumbies have a significant connection with Samoa as many players over the years come from a Samoan heritage. Through this experience, the team learnt valuable lessons of culture and friendship, strengthening their bond and team spirit. Well done Glenmore Park Brumbies!
